The Most Holy Body and Blood of Christ
Father's Day

Scripture is # 945 in the Journeysongs Hymnal

From Father Walsh... TAKE A BOOK: I'm amazed at the amount of stuff I've accumulated over the years – stuff, that at the time I purchased it, I felt I couldn't live without. Well now I'm discovering as I come to retire that I don't need all that stuff, and I'll be able to survive just fine without it. Among my stuff is a lot of books. They're downstairs in the church hall. If a title catches your fancy, be sure to take it. The only cost – a prayer for me.

MY FAMILY CALLS: This coming Tuesday I leave for Ireland to witness the marriage promises of one of my nieces. While there I'll also be baptizing the twin daughters of another niece. I'm looking forward to those happy events. I'll be back on July 5th for my last weekend as your pastor. Father Fred Method will be our weekend help while I'm away.

FATHER'S DAY: We salute our parents for bringing us to life, giving us the values to live by, for the sacrifices they made and for doing the best they could with the wisdom they had. We acknowledge our parents. We honored our mother's some weeks ago and this Sunday we honor our fathers. God Bless and keep you both.

THANK YOU...Mary and Ben Petz wish to say 'Thank You So Very Much' for the prayers offered for her brother, Rich (Bear) Hendricks. Although he is blessed to be recovering well, it will take time and tests for awhile to see how he is doing. He really believes in the power of prayer, so it is sincerely appreciated by him. May we ALL always have FAITH, HOPE and LOVE.

"To accept the responsibility of being a child of God is to accept the best that life has to offer you" — Stella Terrill Man— My warmest thanks to the beautiful women of St. John's and many others who have dedicated their lives to our Spirit-Filled Community. During the past thirteen years we have experienced God's love and His strength through Christ. We have witnessed His power in the Holy Spirit. Because of health concerns, my journey is taking a different focus. I will not be able to continue to head the Sharing and Caring Women in Faith group. As Flossie Palmer so often says: "God Bless You Real Good." Thank you all for your prayers and support. Charlotte A. Maciejewski

Father's Day Prayer

God, our Father

Bless these men,
that they may find strength as fathers.
Let the example of their faith and love
shine forth.
Grant that we, their sons and daughters,
may honor them always
with a spirit of profound respect.
